LIMITED REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS

The Unitholders of Bakheet Saudi Trading Equity Fund
Riyadh, Kingdom of Saudi Arabia

Scope of Review

We have reviewed the accompanying interim balance sheet of Bakheet Saudi Trading Equity Fund (the "Fund") as at 30 June 2010, and the related interim statements of operations, changes in net assets attributable to unitholders and cash flows for the six months period then ended and the attached condensed notes (1) to (10) which form an integral part of these interim condensed financial statements. These interim condensed financial statements are the responsibility of the Fund Manager and have been prepared by them and submitted to us together with all the information and explanations which we required. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

We conducted our limited review in accordance with the auditing Standard on Review of Interim Financial Reporting issued by the Saudi Organization for Certified Public Accountants (SOCPA). A limited review consists principally of applying analytical procedures to financial data and information and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Conclusion

Based on our limited review, we are not aware of any material modifications that should be made to the accompanying interim condensed financial statements for them to be in conformity with accounting standards generally accepted in the Kingdom of Saudi Arabia.
